# Testimonials

We have formed some lasting bonds and friendships with both clients and their guests through hosting their wedding receptions over the years, here are the thoughts of three happy couples who chose to book their special day with us...

"Dear all at the Appleby Inn Hotel,

We are writing this letter to thank you all for making our Wedding day so special. All of the staff were so helpful and could not do enough for us. The hotel was lovely and clean and the honeymoon suite was beautiful. As you know we had to make many last minute amendments during the build up to our special day and you were more than happy to accommodate this. You took away a lot of our stress and for this we cannot thank you enough. You paid attention to the smallest details and made us both feel very special. Thank you all again for helping us create the most perfect day of our lives."

Samantha and Liam Pickering

"From the very first meeting we had with the staff at the Appleby Inn Hotel we knew that this would be the perfect venue for our wedding reception. We had regular meetings with the manager to discuss our requirements to ensure our reception went smoothly, which it did. We felt very sure that our reception

was in safe hands. On the day our guests were met by the toast master who were all complementing on how at ease they all felt. When we arrived to our reception we were met at the wedding car with umbrellas due to the slight bit of rain! We were very grateful and thought that this was very thoughtful. We were then looked after all day by the staff making our day wonderful. Our reception consisted of a sit down meal followed by speeches and then an evening buffet. The food was outstanding and the service was perfect. We could not have asked for anything more. We wanted a hassle

free day which it certainly was. It was very clear to us that the Appleby Inn team worked very hard to look after us and our guests. This is the perfect venue to have a wedding reception and was certainly value for money."

David & Sarah Harley

"On behalf of Wes & myself we wish to send you our sincere thanks and appreciation for the hard work you and the rest of the staff at the Appleby Inn provided for us on our wedding day.

We looked at a few venues when planning this important day and we can honestly say we felt so comfortable and relaxed when speaking to you. Knowing the restaurant like we do, we already knew that the food was to a very high quality and the staff are very pleasant. This all helped us to make the decision. The communication on the build-up to the big day was excellent, being the Bride there are always many questions that need answering and you never tired to help. You were always contactable and never unhelpful.

On the big day the Adelaide Suite looked amazing, it was everything myself and Wes could have wished for. All of our guests commented on the room, staff and the recommended DJ for the evening. They also expressed that the food was beautiful and we couldn't agree more! Not one of our guests had a bad word to say about the whole day, which for us was amazing. We cannot thank you all enough for all the hard work you put into that day. Especially to the people that were there from the minute it started to the minute it finished which I believe was in the early hours. You played a big part in our special day and will be remembered in our and many of the guest's thoughts for years to come."

Mrs Emma & Mr Wesley Harrold
